Invitation to the

## LIFE IP CleanEST project international conference “The Interplay of Water and Politics: Understanding the Influence of Water Management on Decision-making”.

Wednesday, 25 October 2023 – Thursday, 26 October 2023

Narva, Ida-Viru County, Estonia (*venue tbc*)

[LIFE IP CleanEST](#) is an integrated water management project led by the Ministry of the Environment of Estonia, that focuses on improving the status of water bodies in Ida-Viru and Lääne-Viru counties of Estonia.

We invite you to a conference and a field trip held during 25-26 October in Narva, Ida-Viru County, Estonia. The conference will focus on the challenges and solutions of modern water management. The main objective of the conference is to promote water management efficiency, share valuable knowledge, and raise awareness of issues related to water management.

### Agenda:

- Impact of water bodies on the environment
- Available funding opportunities for water projects
- Awareness related to water management and environmental protection
- Challenges, opportunities, and solutions associated with water management
- Green transition in the field of water management

### Preliminary outline of the workshop programme:

- **Tuesday, 24 October:** arrivals
- **Wednesday, 25 October:** conference, presentations, panels, workshops
- **Thursday, 26 October:** conference continues, field day
- **Friday, 27 October:** departures

### Registration:

<https://forms.gle/bqpprrvTjbRLLZJZ8>

More detailed programme and technical information related to the workshop and field trip will follow soon. Meanwhile we invite you to mark this event in your calendars as well as let us know about your participation and perhaps sharing your own experience in the field of water management and policy making.

Please contact the project communication manager Henry Linnard ([henry.linnard@envir.ee](mailto:henry.linnard@envir.ee)) for any additional information or technical assistance. Event held in the frame of the project LIFE IP CleanEST, project number: LIFE 17IPE/EE/000007, <https://lifecleanest.ee/en>; Facebook: [@LIFEIPCleanEST](#)
